DR. KENNETH L. SCHWAB
President

Dr. Kenneth L. Schwab, an award-winning educator with a keen interest in leadership and strategic planning, was named Centenary College's 34th President, August 7, 1991.

His efforts to maintain Centenary's reputation as one of the premier liberal arts colleges in the nation has resulted in enhanced student life and increased academic quality during his tenure.

Dr. Schwab came to Centenary from the University of South Carolina where he was Executive Vice President for Administration (1988-91) after serving as Executive Assistant to the President for Institutional Planning (1986-88).

From 1970-1986, Dr. Schwab held administrative positions at Guilford College in Greensboro, NC. He was the Assistant Dean of Students and Director of Residential Operations (1970-74), Dean of Students (1974-80) and Assistant to the President for Institutional Planning and Community Relations (1980-86).

Dr. Schwab holds a doctor of education degree (1978) from Indiana University, master of education degree (1972) from the University of North Carolina-Greensboro and a bachelor of science degree (1969) from Purdue University, where he graduated with honors as the 1969 Outstanding Senior.

Dr. Schwab and his wife, Patricia, who also has a doctorate in education, are the parents of three sons: Kempten, Carlton, and Christopher.

DR. DAVID BEDARD
Director of Athletics

Dr. David Bedard has served as the athletic director for Centenary College since 1999. In his short time at the helm, the college has seen significant improvements in athletic facilities and relations between the athletics department and the public.

Even though he was somewhat new to the AD position when taking over, Bedard was a familiar face in the athletic offices of Centenary, having been a professor in the health and exercise science department for more than 18 years. He begins his third year as the athletic director with a lot of things on his plate, foremost being to move the athletic department into a conference in Division I of the NCAA.

In the time that Bedard has been AD, Centenary has added a new baseball facility (W. Peyton Shehee Stadium), new scorer's tables and chairs for the basketball and volleyball teams, grandstand seating for the softball team, lights for the soccer field, and a concession stand for baseball, softball, and soccer.

In addition to the improvements for the athletic teams, there have been some major renovations that have improved the entire athletic department. These upgrades include a new Gold Dome roof and the creation of a new Ladies and Gents Club reception area.

Bedard understands and can empathize with the student-athletes and coaches under his administration, having been both a student-athlete and a coach at Northwestern State University in Natchitoches, La. He was a three-time All-American gymnast and a gymnastics coach before moving on to get his doctorate in college teaching of health and physical education from Texas A&M University in Commerce.

Bedard is married to the former Carol Grant. They have two children: Emily and Julie.

CENTENARY COLLEGE HISTORY

ACADEMIC SUCCESS

Nationally recognized by U.S. News and World Report, Money Magazine, Peterson's Guide to Competitive College and others, Centenary College of Louisiana is noted for providing an environment for success, both for its students and its faculty.

Founded in 1825, **Centenary College** is the oldest private liberal arts institution west of the Mississippi River. Centenary provides a superior education for students capable of intellectual leadership and for those who can benefit from study in an academic community where excellence is encouraged and individuality is respected.

Centenary places emphasis on preparations for various professions. The college is an institution of the United Methodist Church.

Centenary boasts a student/professor ratio of 11 to 1 for its 850 undergraduate students, while classes rarely exceed 30 in introductory courses. Centenary is a member of the Southern Association of Colleges and Schools. Recently, a Centenary education was recognized in ***"U.S. News and World Report"*** as the best value among regional universities in the South. Centenary also ranks twelfth among the South's top universities in the magazine's "America's Best Colleges" issue.

Shreveport is located on the west bank of the Red River in northwest Louisiana. The metropolitan area has a population in excess of 300,000 and forms the geographical, cultural, and economic center of the region known as the Ark-La-Tex.

Centenary is located two miles from downtown Shreveport.

ATHLETIC HISTORY

Centenary has a treasured history in athletics, dating back to 1894 when the school fielded its first football team for a game with Louisiana State University.

As a matter of fact, Centenary once boasted of having one of the finest football teams in the nation. The Gents posted a perfect 10-0 record back in 1927 with a team coached by **Homer Norton**.

That year, Centenary defeated four Southwest Conference opponents (SMU, Baylor, Rice, and TCU) to start the season and finished off the memorable campaign with a 59-2 whipping of Louisville. Centenary outscored its opponents 261-38 over the 10-game span.

In that era 13 Centenary football players went on to professional gridiron careers, including: **Conway Baker**, **Buddy Parker**, and **Cal Hubbard**.

Hubbard was the most illustrious of the group, starring on championship teams and earning induction into the Pro Football Hall of Fame and the College Football Hall of Fame. He is a triple rarity in that he also is in the National Baseball Hall of Fame as an umpire.

Centenary discontinued football in 1947 due to the poor oil economy in the Ark-La-Tex region but the school's athletic success continues today.

TODAY

Centenary competes as an independent after leaving the Trans America Athletic Conference (established in 1978) after 21 years in the TAAC.

Centenary sponsors 16 men's and women's intercollegiate sports: baseball, basketball, cross-country, golf, rifle, soccer and tennis for men and cross-country, golf, gymnastics, rifle, soccer, softball, tennis and volleyball for women.

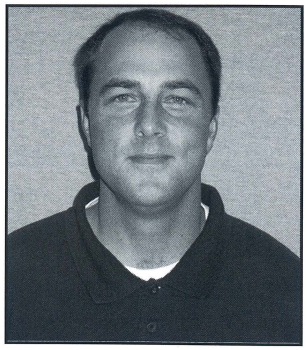
Women's basketball began in the 1999-2000 season.

In the 20-year history of the TAAC, Centenary won 11 Trans America Athletic Conference championships and one Fletcher Award for the conference's best all-around program.

Centenary is in the process of looking for a new conference. The college is considering several options including a new conference made up of former independent schools and programs moving to the Division I level.

Currently, all sports will continue to play as an independent with the exception of men's tennis, which competes in the Southland Conference.

HEAD COACH



JED JONES
Head Coach

On December 2, 1996, Jed Jones was hired as the fourth head coach in Centenary soccer history. He spent two seasons serving as an assistant coach to Centenary soccer pioneer Glenn Evans. He began his first collegiate head coaching position as the skipper for both the Centenary College Gents and Ladies soccer program in 1996 after a successful collegiate and professional playing career.

A native of Norman, Oklahoma, Jones played professional soccer for the Oklahoma City Slickers of the USISL from 1992 to 1994. Prior to that he played an exhibition match against the United States National Team in 1991 while playing for the Oklahoma City Spirit, a semi-professional team. Jones also helped to lead the Spirit to the Lone Star Soccer Alliance Championship in 1989.

Jones played collegiately at Oklahoma City University, where he was a captain for the Chiefs all four years. He also helped OCU to the NAIA District Nine finals three straight seasons. In 1987, as a sophomore, he led the Chiefs in scoring. Jones graduated from OCU in 1994 with a bachelor of science degree in education.

Coach Jones has quite a bit of coaching experience. He came to Centenary after serving as an assistant coach at his alma mater for two years. Prior to his stint at OCU, he was an assistant coach at Norman High School. Jones has been the head coach of many club teams and has been an instructor of numerous soccer camps. He is currently on the Olympic Development Program Region III coaching staff as well as a member of the Louisiana State coaching staff.

Jones holds a United States Soccer Federation "A" Coaching License as well as the International Coaching License of the Football Association of Ireland.

Jones and his wife, the former Stacey Kroll, have a son named Carson.

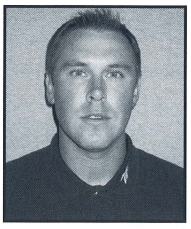
GLENN EVANS
Assistant Coach

Coach Glenn Evans, the pioneer of Centenary's soccer program, stepped down five years ago as head coach of the Gents and Ladies soccer programs. He then focused his attention on serving as the assistant to coach Jed Jones for the Ladies soccer team. Evans left large shoes to fill for Jones. As head coach, he posted a 161-105-3 (.604) record in 14 seasons as the head coach of the Gents soccer program and a 66-25-3 (.725) record in five seasons as the Ladies head coach.

Evans guided the Gents program from its inception through 1978, before returning at the start of the 1983 campaign. During his tenure, the Gents posted nine consecutive winning seasons (1983-91), including three straight Trans America Athletic Conference Championships. For his and the team's efforts, he was named TAAC Coach of the Year in 1983, 1988, 1989, and 1990 as well as receiving that honor for his direction of the Ladies program in 1994.

The Herkimer, New York native earned a B.S. in health & physical education from Centenary in 1969. He received a master's degree in education from the University of Georgia in 1970. Evans is the Superintendent of Athletics for Shreveport Parks and Recreation. He and his wife , Karen, have four sons: Chad, Scott, Trey and Brian.



DAVID ORR
Assistant Coach

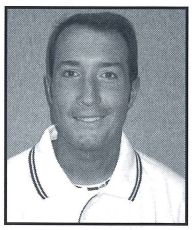
David Orr enters his third year as the assistant coach for the Gents. A 1996 graduate of Centenary College, Orr played four years for the Gents while earning a Bachelor of Science degree in health & exercise science.

Upon graduation, Orr played professionally with the Shreveport-Bossier Lions of the USISL before taking over as the head coach of the Captain Shreve High School men's soccer program in 1995.

Orr left Captain Shreve in 1998 after leading the Gators to two playoff appearances in three years to coach the goalkeepers of the Dallas Texans. He returned to Centenary in 1999 as the assistant coach for the Gents and the goalkeepers coach for both the men's and women's teams.

This season, Orr is the recruiting coordinator for the Gents in addition to his role as goalkeepers coach for both teams. He will also serve as the strength and conditioning coach for several of Centenary's athletic teams, including the soccer program.

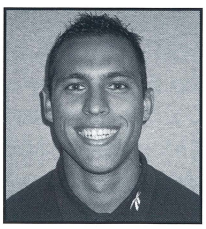
Orr is a native of Dallas, TX where he attended L.V. Berkner High School. He is the son of Don and Nancy Orr and has a brother, Brian, a sister-in-law, Mandy, and a nephew, Derek.



MICHAEL COMEAU
Assistant Coach

Michael Comeau begins his fifth year as an assistant coach for the Ladies. Comeau is a 1993 graduate of Auburn University. He holds an M.Ed in Sports Administration and another in Education Administration. He is currently teaching at Waller Elementary in Bossier, LA where he was named USA Today National Teacher-of-the-Year for 2000-01.

Comeau coached the women's club team at Auburn to a 45-15-5 record and an SEC club championship. He then coached Lemon Bay High School in Englewood, FL to three district and regional titles from 1994-97 before arriving at Centenary.



JAIME FRIAS

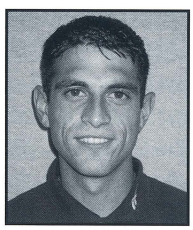
Jaime Frias enters his second year as an assistant coach for the Ladies. He will assist in the training and recruiting for the Ladies team.

Frias is a 2000 graduate of Centenary College and a former player. He was a captain as a junior and senior and started all four years for the Gents.

Frias coached the SFC U-16 select team. He was also the head coach of the Booker T. Washington varsity team and the Caddo Magnet junior varsity team in Shreveport.

Jaime is the son of Jaime and Rosaura Frias and has three younger brothers. He is currently pursuing a master's degree in education at Centenary.



MARC CASTILLO
Assistant Coach

Marc Castillo enters his second season after joining the Gents coaching staff in 2000. He will assist in fund raising, camps, recruiting, practices, and all other aspects concerning the men's soccer team.

Castillo graduated from Centenary College in 1998 with a degree in health & exercise science. He was a four-year starter for the Gents and a three-year captain.

Castillo served as coach of the Caddo Magnet junior varsity team as well as the Huntington High varsity squad. He has also coached the SFC U-12 select team.

Marc is the son of Paul and Pam Mestayer and he has two brothers and three sisters.

CENTENARY LADIES 2001 PREVIEW

The Ladies are looking to continue their winning ways in 2001 after finishing 2000 with a record of 15-4. However, the Ladies are going to have to rely on younger players as a result of returning only three seniors to this year's squad.

"Our goal recruiting was to replace nine seniors with players that could immediately fill voids;" said head coach Jed Jones. "We believe we have accomplished that."

The departing seniors left big shoes to fill as the Ladies were ranked 15th nationally in winning percentage with a .789 percentage and 8th in scoring average at 3.05 goals per game. Not to mention, departing senior Lara Brown led the NCAA averaging 3.0 points per game and 1.28 goals per game.

"We could never replace Lara Brown with a single player," said Jed Jones. "Our goals this year must come from several different players."

Centenary seniors Stacey Klingler, Lesley Thull, and Ashley Palmer.

One of the players counted on to carry some of the scoring load is sophomore **Lyndsay Bigler** (Baytown, TX). Bigler returns as the second leading scorer from last year's team with nine goals and 20 points. She was named first-team All-Independent at the conclusion of the 2000 season.

Other players that should show immediate impact at the forward positions are **Angela Tryba** (Houston, TX) and **Ashley Bouillion** (Plano, TX).

Tryba scored nine goals and added two assists as a freshman in 1999 before sitting out last season.

Bouillion is a true freshman that looks to have enormous potential.

"The key to this year's success depends on how fast the freshmen can adjust to the speed of the college game," said Jones.

The perfect example of the dependency of the freshmen can be seen at the midfield positions where six newcomers will be fighting one sophomore for playing time.

Sophomore **Lacey Stewart** (Highland Village, TX) will provide the experience at midfield after totaling eight points in 2000.

The six freshmen adding depth will be **Rita Coolidge** (Austin, TX), **Kylie Garrett** (Spring, TX), **Ashley Grannan** (Fort Worth, TX), **Melinda Levinski** (Allen, TX), **Lori Levitt** (Grapevine, TX), and **Lindsay Paugh** (Arvada, CO).

The defense in 2000 was exceptional allowing only 1.05 goals per game. The loss of many seniors may hurt the Ladies on defense the most.

"Our biggest question marks are on defense, but I have confidence that we have enough talent and hard workers to succeed," said Jones.

Senior **Stacey Klingler** (Lafayette, LA) will head up the defense after playing in 18 of 19 matches last season.

Sophomore **Melissa Tharp** (Angleton, TX) will also anchor the defense after an impressive freshman campaign.

Other contributors on the defensive side will be sophomore **Kathryn Cooper** (Houston, TX), and freshmen **Jamila Smith** (Mesquite, TX) and **Jess Taverniti** (Bozeman, MT).

The keeper spot is solid with the return of junior **Heather Lindsey** (Plano, TX). Lindsey holds the Centenary record for most saves in a match (16 versus Creighton) and ranks in the top five of many other career and single season categories.

The addition of freshman keeper **Lindsey Stafford** (Tyler, TX) gives the Ladies a very stable combination between the pipes.

The Ladies were dissapointed last season after not receiving an at-large bid to the NCAA tournament. The schedule this year should help them achieve that goal.

"This is one of the tougher schedules we've had in four years," said Jones. "The additions of Southwest Missouri State and early challenges such as Northwestern State and Jacksonville State make this schedule anything but easy."

The Ladies will play 19 matches in 2001 and only eight will be at the Centenary Soccer Complex where they were 8-1 last season.

Home dates will include Southeastern Louisiana, Gardner Webb, Stephen F. Austin, Texas Christian, Nicholls State, Northwood University, Oklahoma City University, and Louisiana College.

The Ladies will travel to take on NSU, ULL, UALR, Arkansas State, Drury, SW Missouri State, ULM, Lipscomb, Alabama A&M, Jacksonville State, and Birmingham-Southern.

Centenary competes as an independent after leaving the Trans America Athletic Conference (established in 1978) after 21 years in the TAAC.

Centenary sponsors 16 men's and women's intercollegiate sports: baseball, basketball, cross-country, golf, rifle, soccer and tennis for men and cross-country, golf, gymnastics, rifle, soccer, softball, tennis and volleyball for women.

Women's basketball began in the 1999-2000 season.

In the 20-year history of the TAAC, Centenary won 11 Trans America Athletic Conference championships and one Fletcher Award for the conference's best all-around program.

Centenary is in the process of looking for a new conference. The college is considering several options including a new conference made up of former independent schools and programs moving to the Division I level.

Currently, all sports will continue to play as an independent with the exception of men's tennis, which competes in the Southland Conference.

CENTENARY GENTS 2001 PREVIEW

The Gents are coming off of a frustrating season in which they finished with a 4-12 mark. Scoring was at a minimum for the team as they averaged only 1.6 goals per game compared to the 3.0 goals per game they allowed. In the 12 losses last season, the club was shutout seven times.

Defense was also a problem in 2000 as the Gents set team records for most goals allowed per game and fewest shutouts recorded. Centenary's lone shutout of the year came in a 5-0 victory versus The Citadel.

This season looks to be much different for the Gents as a result of a great recruiting class.

"This is quite possibly one of our best recruiting classes ever," said head coach Jed Jones. "We recruited very athletically gifted soccer players. This is one of the biggest teams we've had since 1980. As a by-product of this recruiting class, we now have size, speed, and an abundance of soccer skills."

Coach Jones believes the strength of this year's squad lies in the much improved play at the forward and midfield positions.

Leading the charge up front for the Gents will be senior **Jason Fowler** (Richardson, TX). Fowler returns as the team's second leading scorer from last year netting five goals while adding two assists for a total of 12 points.

Other forwards who look to make an impact this season include **Garret Pickard** (Cedar Hill, TX) and newcomer **Greg Clarke** (London, ON).

Pickard showed promise last year as he tallied four assists and added a goal as a true freshman.

Clarke is a highly touted freshman who has served as a member of Team Ontario for the past three years.

Senior **Josh Chambers** (Highland Village, TX) and junior **Nathan McAbee** (Paso Robles, CA) will head up this year's crew of midfielders. Chambers will bring leadership to the midfield while McAbee adds an offensive punch returning as last season's leading scorer with nine goals and 21 points.

Plenty of depth will be provided at midfield by a host of new players. **Thiago Chaves** (Sao Palo, Brazil), **Jeffrey Krulin** (Little Rock, AR), **Michael Krulin** (Little Rock, AR), and **Felipe Pereira** (Vaughan, ON) all look to see playing time this year for the Gents.

This season Centenary will move some players around and add another keeper to help solidify the defense.

Seniors **G.B. Cazes** (Birmingham, AL) and **Eric Mayo** (Houston, TX) will slide back from their forward and midfield positions of 2000 to defender positions in order to secure the defense in 2001.

Centenary seniors (back l to r) Ryan Nugent, Travis Leger, Josh Chambers, (front l to r) Eric Mayo, Jason Fowler, G.B. Cazes.

In addition, senior **Ryan Nugent** (Katy, TX) will continue to set the defensive tone and the Gents will receive an added boost from redshirt freshman **Jason Williams** (Pflugerville, TX) at sweeper.

Tending the net for this year's squad will be newcomer **Stefan Nicola** (Kehl, Germany). Nicola played with Team Suedbaden in the 1998 Three-Nations Cup.

"Nicola should solidify our net play," said Jones. "We are expecting great things from him."

Adding depth to the keeper position will be sophomore **Michael McGuire** (Bryan, TX), sophomore-transfer **Alejandro Heiber** (Caracus, Venezuela) and freshman **Mathew Gorman** (Cypress, TX).

Traditionally, the Gents play a tough schedule year after year and this season is not going to be any different.

"This season we will be facing some established programs and strentgh of schedule should be a bonus," added Jones. "We must fair well versus regional competition to secure a birth in the NCAA tournament."

The Gents will host eight home matches highlighted by visits from Georgia Southern, New Mexico and Texas Christian.

Centenary will travel to Central Florida, Depaul, Western Illinois, Oral Roberts, and Alabama A&M to mention a few.
